

Computer Science

What is Computer Science?

- ❑ Study of algorithms and software
- ❑ Learn to write programs
- ❑ Learn about the foundations of modern computers

Why Computer Science?

- ❑ Highly desirable skill set
- ❑ Get a job and make money
- ❑ Be famous and change the world

Requirements for Major

- ❑ 70% NSC Math
- ❑ 60% NSC Physics or IT (for BSc)

Typical Degree

- ❑ 1st major: Computer Science 1/2/3, Math1, Software Engineering
- ❑ 2nd major: Computer Engineering or Business Computing or Other Major
- ❑ Elective courses
